SUNDAY SEPTEMBER 17TH AN AFTERNOON WITH JOSH LYONS

Lyons Legacy Horsemanship Clinic Benefitting the Meridian Equine Therapeutic Riding Program

Come spend three hours with us on Sunday, September 17th, and learn from world renowned trainer, Josh Lyons. Tickets are only \$45 per person, and all proceeds will benefit the Meridian Equine Therapeutic Riding Program. Josh will be demonstrating techniques with his own horses, and will be able to answer any questions you may have. Because it is a spectator event, Josh will be able to help everyone from the first time horse owner to the seasoned veteran. For more information on Josh or Lyons Legacy Horsemanship, visit their website at www.LyonsLegacy.com. For more information on Meridian's Therapeutic Riding program, go to www.MeridianEquine.com.
